Law Exchange Information

Nomination Deadlines	Full Year and Autumn semester entry: 01 June Spring semester entry: 01 October
Application Deadlines	Full Year and Autumn semester entry: 30 June Spring semester entry: 31 October
Entry Requirements	Students should be studying at a UK 2.1 equivalent.

	Nominated students who do not meet this requirement may still be approved but will require an additional supporting statement from our School, so a meeting may be required to assess suitability for our programme.
English Language Requirements	All students studying at the University of Sheffield not from a majority English speaking country are required to provide evidence of their English language proficiency in their application, including students who will be studying for a single semester. Students will need to meet the departmental requirements. For Law these are: IELTS: 7.0 overall (with 6.5 in each component) TOEFL: 95 (minimum 21 in Listening, 22 in Writing, 22 in Reading, 23 in Speaking) Links to lists of other accepted qualifications can be found on our webpage: www.sheffield.ac.uk/globalopps/inbound/apply/entry-requirements
Application Process	Students must be nominated by the home university via our on-line form. We do not accept nominations via email. If the nomination is in line with our exchange agreement, the students then receive a link to the on-line application form via email. Once students are accepted, they receive an email confirmation containing their applicant number. The applicant number allows students to apply for University Accommodation (see below) Our application process is electronic. We do not accept paper applications.
December Finish	Autumn Exchange students may be nominated under the December Finish option if the semester dates of their home university overlap with our own. IMPORTANT NOTE: If a student requires a December finish, they must ensure they select modules with “Coursework” as the assessment type. We cannot offer alternative means of assessment for our modules that are assessed by an exam.
Extending an exchange Period	If a student comes to Sheffield for the Autumn semester only and then decides they wish to extend their stay to the full year, they must obtain permission from the host department and then apply to Global Opportunities by 31 October .

	We will assess the current balance of students for inbound and outbound students and will let them know. Extensions are not automatically granted. Students would need to apply for a Student Visa for the Spring semester if they chose to extend their exchange in Sheffield. Extension applications received after 31 October will not be considered.

This must be evidenced by providing transcripts to date and written approval from the Home University.
