

FACT SHEET.

With over **32,000 students and 38 research units**, the **University of Rouen Normandy (URN)** plays a leading role in both teaching and research in Normandy. **We are involved in regional teaching and research clusters**, and promote interregional research activities by developing nationally and internationally renowned scientific partnerships. We therefore partake in numerous international projects **in partnership with over 50 countries**.

As a **multidisciplinary** institution, URN is particularly devoted to **making higher education accessible to all and fostering local economic and social development**.

We have **7 campuses** in Normandy, with a total of **12 faculties, institutes and schools**.

INTERNATIONAL EXCHANGE PROGRAM 2024 - 2025

The **Greater Rouen area** is a great place to live, offering a wealth of heritage, culture and sports activities, as well as being a dynamic economic hub. **Only an hour from the coast and an hour and a half from Paris by train**, the University of Rouen Normandy is ideally situated.

Enhancing the university's appeal is at the heart of our policy and strategy. Focusing on our reach closer to home has been a driving force behind this. Beyond our higher education partners in Normandy, we are also busy building **strong relationships with local actors**.
