

<b>Title</b>	<b>Hungarian Tort Law in Context - a Case by Case Analysis</b>
<b>Lecturers:</b>	Prof. Ádám Fuglinszky, <a href="mailto:fuglinszky@ajk.elte.hu">fuglinszky@ajk.elte.hu</a> , <a href="http://www.fuglinszky.com/en">www.fuglinszky.com/en</a>
<b>Brief description:</b>	This course requires the <i>active participation</i> of the students, since they shall analyse the cases (to be distributed in advance) <i>from their own legal systems' point of view</i> . Hungarian and guest students shall work in teams. A general framework and the Hungarian perspective will be provided by the lecturer. As a trailer/appetizer cf. the case attached to this schedule in Hungarian, English and Italian. The mandatory reading indicated below (which will be uploaded on the Moodle page of the course) must be read already for the first occasion by all participants!
<b>Schedule:</b>	<ol style="list-style-type: none"><li>1. Introduction: – the bases of the Hungarian tort law</li><li>2. Introduction: – The Miracle on the Funeral Truck case</li><li>3. Non cumul – Contracts and Torts</li><li>4. Fault based liability</li><li>5. Fault based liability</li><li>6. Fault based liability</li><li>7. Strict liability for dangerous/hazardous activities</li><li>8. Strict liability for dangerous/hazardous activities</li><li>9. Liability for others / non-culpable persons</li><li>10. Liability for others / employees, agents</li><li>11. Liability for defective buildings</li><li>12. Liability for animals</li></ol>
<b>Materials/Recommended readings:</b>	<p><b>Mandatory reading:</b> Fuglinszky, Ádám: Extra-contractual Liability (Torts) and Damages; in: Harmathy, Attila (ed.) Introduction to Hungarian Law, 2nd ed, Kluwer Law International (2019), pp. 179-205.</p> <p><b>Other recommended readings:</b> See below the schedule.</p>
<b>Assessment/Exam:</b>	<p><i>The assessment consists of two parts/factors:</i></p> <ul style="list-style-type: none"><li>- Attendance and active contribution during the solving of cases.</li><li>- In the middle of the semester additional (smaller) cases will be distributed and the participants – working in mixed pairs/teams including both Hungarian and ERASMUS students – shall present their solutions in the end of the semester within the frame of a mini-conference. ERASMUS students are required to analyse the assigned case from their own legal systems' point of view.</li></ul>

Magyar	The „Miracle on the Funeral Truck case” – trailer/appetizer	Italiano	English
<p>Sűrű-szürke ködben, egy álmoss keddi délutánon a Fekete Özvegy Temetkezési Szolgáltató Kft. kisteherautója a nyitott hátsó rakfelületén két üres koporsót szállít. A járművet István, a cég főállású alkalmazotja vezeti.</p> <p>Rövidesen elered az eső. Más választása nem nagyon lévén, hogy meg ne ázzon, Péter befekszik az egyik üres koporsóba. Kicsit kényelmetlenebben találja, ám ennek ellenére kisvártatva elalszik.</p> <p>A teherautó útja eseménytelenül folytatódik. István egyszer csak újabb stoppost pillant meg. Lefékezi a szolgálati járművet. Int az újabb stopposnak (András) és így szól: „ugorj fel, Öreg, hátul majd jól elszórakoztok!” István ugyanis nem láta, hogy Péter az eső elől a koporsóba bújt. András felpattan a nyitott raktérbe, ahol azonban nem lát senkit az ég egy adta világban, csak két koporsót. Nem érzi... „De morbid a humorra ennek azz ürgének, még hogy jól elszórakozunk... bár végül is, nem lehet könnyű feldolgozni, hogy állandón a halottak az útiársai...” András helyet foglal a másik – még mindig üres – koporsó tetején, amely a piatón bal szélén helyezkedik el. Csípője így hozzávetőlegesen egy vonalba kerül a piatón korlátjának tetejével.</p>			
<p>István egyszer csak egy stoppost vessz észre az út szélén. A stoppos Péter (bányász). István arra gondol, hogy fatal korában ő is rengeteget utazott autostoppal. Nem csoda hat, hogy felveszi Pétert, aki hálásan felmászik hátul a platóna. István utal rá, hogy a koporsók üresek. Péter természetesen nem fizet az útért.</p>			
<p>In una densa nebbia grigia, in una sonnolenta Martedì pomeriggio, nel furgone della Vedova Nera Servizio di Funerale s. r. l. trasporta nella piattaforma aperta piattaforma dell' autocarrofurgonato due feretri vuoti. Stefano, il impiegato di tempo pieno dell' azienda, fa la autista della macchina.</p> <p>Stefano si accorge improvvisamente un autostoppista il bordo della strada. L' autostoppista è Pietro (minatore). Stefano pensa che anche lui ha viaggiato molto con l'autostop in suo gioventù. Non c'è da stupirsi, quindi, che Stefano raccoglie Pietro, chi sale sulla piattaforma piattaforma dell' autocarrofurgonato. Stefano indica che le bare sono vuote. Pietro, naturalmente, non paga per il viaggio.</p> <p>Appena inizia a piovere. Siccome non abbia altra alternativa, Pietro si adagia in una bara vuota. Pietro trova la bara un poco scomoda, ma si addormenta tra poco.</p> <p>Il viaggio dello furgone continua tranquillo. Stefano si accorge un' autostoppista di nuovo. Lui da una frene e segnala l'autostoppista nuovo (Andrea) e dice: «Vieni, Ragazzo, va a divertiti sulla piattaforma!» Stefano, infatti, non ha visto che Pietro si è sbucato nella bara vuota. Andrea soprasalta sulla piattaforma dell' autocarrofurgonato, e non vede nessuno soltanto le due bare vuote. Lui così non capisce. «Che strano umorismo ha questo ragazzo, come'è possibile divertirsi qui... Ma non può essere facile trattare che i compagni di viaggio sono soli morti.» Andrea prende posto sulla bara ancora vuota, che si trova sulla sinistra della piattaforma dell' autocarrofurgonato. Suaanca si trova così nella stessa altezza come c'è la ringhiera della piattaforma.</p>			
<p>In una densa nebbia grigia, in una sonnolenta Martedì pomeriggio, nel furgone della Vedova Nera Servizio di Funerale s. r. l. carrying two empty coffins on its open back. The truck is driven by Stephen, full-time employee of the company.</p> <p>Stephen sees a hitchhiker standing by the side of the road. The hitchhiker is Peter (a miner). Stephen remembers that he also travelled a lot as hitchhiker when he was young. No wonder, he picks up Peter who gratefully climbs up onto the back of the truck. Stephen mentions that the coffins are empty.</p> <p>Naturally, Peter doesn't pay for the ride.</p> <p>Shortly after, it starts raining. To avoid getting wet, Peter lies into one of the empty coffins. He finds it a little bit uncomfortable but despite that, he soon falls asleep.</p> <p>The journey carries on unevenly. Stephen sees another hitchhiker. He stops the vehicle. He waves to the other hitchhiker (Andrew) and says: "jump up Brother, you will have fun in the back!" as he didn't see that Peter lay into the coffin. Andrew jumps up onto the open back of the truck where he doesn't see anything at all apart from the two coffins. He doesn't understand... "This guy has such a morbid sense of humor thinking that we will have fun... But in the end of the day, it could be not easy to cope with that the fellow passengers are always dead..." Andrew sits down on top of the other - still empty - coffin located on the left side of the back of the truck. Therefore, his hip is level with the top of the bar of back of the truck.</p>			

Így telik-műlik az idő, az eső is eláll, és Péter felébred a koporsóban. A teherautó igencsak kanyargós lejtőn halad. Az egyik S kanyarban Péter minden előzetes figyelmezetés nélkül kinyitja a koporsó tetejét, és András megpillantva így szól: „Helló, Kolléga, esik még az eső?”

András megijed a „szónokoló halotttól”, ijedtében összerenzen, felpattan, elveszti az egyensúlyát, átesik a korlaton, lerepül a gépkocsiról, és a betonúton landol. Súlyos sérüléseket szenvéd.

Il tempo trascorre così, piano a piano, la pioggia cessa, e Pietro si sveglia nella bara. Il furgone va in una discesa sinuosa. In una curva Pietro apre il tetto della bara senza avviso e vedendo Andrea se dice: 'Ciao, Collega, piova ancora?'

Andrea si intimide da 'un muerto declamando', e sussulta, si squilibra, supera a la ringhiera della piattaforma dell' autocarrofurgonato, cade sulla furgone, e atterra sull' asfalto. Soferte ferite grave.

Time goes on, the rain stops and Peter wakes up in the coffin. The truck goes on a very bende slope. In one of the sharp bend, without any prior warning, Peter opens the top of the coffin, looks at Andrew and says: "Hi Colleague, is it still raining?"

Andrew is shocked because of the "speaking dead", jumps up, losing his balance and falls over the bar flying out of the truck and land on the concrete (i.e. the road). He suffers major injuries.
