

UNIFICATION OF CONTRACT LAW

Lecturer: Dr. István ERDŐS

associate lecturer/Private International Law and European Economic Law

Office hours: Thursday 10:00 – 11:30 am, Room 312.

E-mail: erdosistvan@ajk.elte.hu

Course description and outline

The course discusses the different aspects of unification and harmonization of contract law. After having a basic introduction to the concepts of contract law, the students will study the main issues regarding the unification of contract law (organizations, methods, instruments, etc.) The course materials include compulsory readings, case law materials and practical cases. All course materials are available on the Moodle site of the course.

Working method:

Students are expected to read the materials in advance and discuss it in class. The materials for each class can be accessed on the Moodle site of the course.

Assessment:

- regular attendance (students are allowed to miss two classes per semester)
- written examination OR written piece of 3,000 words OR oral presentation in class on a topic of the student's choice and approved by the lecturer
