Florence, February 27th, 2018

Dear Erasmus+ Partners,

We are looking forward to receive your students in the academic year 2018/19. In the last years we have been consolidating a process of internationalization, and international students are among its most important actors.

In such a context, students’ exchange is increasingly monitored in order to verify that participation in courses takes place in an effective way. One of the aspects that is more strictly monitored is the language skills level of incoming students, and we accordingly paid a lot of attention to the language requirements included in each new Erasmus+ agreement. Therefore we intend to be quite strict in the respect of the prescribed standards, primarily to avoid that students find difficulties in passing the exams. Against this backdrop, we kindly remind that incoming students applying for Erasmus+ scholarships in our School of Law must have a certificate of level B1 in Italian, unless they wish to attend only courses in English, in which case the level is B2.

We would like to remind you also that our exams usually are oral and that no exceptions are allowed for exchange students. The exams take place in period from mid-December to February 28th (first semester) and from the beginning of June to July 31st (second semester). This is why as a general rule we kindly ask you to write those final dates in the student’s enrolment form; this will avoid the need of extending the mobility for a few days. Obviously, students will be able to end their mobility earlier, as soon as they finish their exams.

Please feel free to contact us for any further clarification you may need.

With kindest regards,

Alessandra De Luca
