Dear Partners,

Please find below detailed information about the application procedure for 2018/19 Erasmus incoming students at the University of Salamanca:

**1st STEP: NOMINATION from home university**

**Nomination deadline:**

*July 16th, 2018* for ALL STUDENTS (WINTER SEMESTER, SUMMER SEMESTER or FULL ACADEMIC YEAR). **Exceptionally,** we could accept later nominations for 2nd semester students upon request.

**Nomination:**

Nomination is a [MANDATORY REQUIREMENT](http://rel-int.usal.es/) for the acceptance of Erasmus students at the University of Salamanca. Partner universities must send by email their official nomination lists to the International Relations Office: [erasmus@usal.es](mailto:erasmus@usal.es). The email must necessarily include the following data:

1. Full name of the student/s
2. Email address
3. Subject Area (ISCED code)
4. Proposed Level of Study at Salamanca (Undergraduate/Bachelor, Master or Doctorate)
5. Proposed Period of Study at Salamanca (winter semester, summer semester or full academic year)

Nominations lacking any of these requested data will be considered as incomplete, and therefore will not be validated until amended by the home university.

Nominations must conform to the terms of each Erasmus agreement with regard to the area of studies, level of studies and number of students. Any change to these conditions must have the prior approval of the University of Salamanca.

It is recommended to keep the balance in the distribution of students between 1st semester and 2nd semester. When splitting a full year mobility into two single semester motilities, one should be for the 1st semester and the other for the 2nd semester, so that the balance set out in the agreement is observed.

**2nd STEP: REGISTRATION by nominated students**

**Registration deadline:**

*July 16th, 2018* for ALL STUDENTS (WINTER SEMESTER, SUMMER SEMESTER or FULL ACADEMIC YEAR).
Application Form:

Upon reception of the nomination sent by the home university, the University of Salamanca will contact the students by email and send them detailed information about registration procedures. Students duly nominated by their home institution must complete the on-line Erasmus Application Form, print it and send it by email to the International Relations Office: erasmus@usal.es, including the following:

- a recent passport size photograph
- a copy of the ID document or passport

The on-line Erasmus Application Form is available on our web site:

http://rel-int.usal.es/en/ -> “Erasmus” -> “Erasmus Incoming Students” -> “Erasmus Student Mobility for Studies”
-> “Erasmus Incoming Students Online Application”

3rd STEP: OTHER DOCUMENTS

Letter of Acceptance:

Starting on June, 18th 2018, and following the correct reception of the application documents, an Acceptance Letter will be sent by email to the students (with a copy to the Erasmus responsible at their institution). Students will be asked to hand in this Acceptance Letter when enrolling at the corresponding centre of the university.

Hard copies of the acceptance letter will be sent only upon request to students needing to apply for a visa.

Compulsory Mobility and Health Insurances:

- Mobility insurance: all Erasmus students must take out the mobility insurance of the University of Salamanca, regardless the requirements and / or regulations of the student’s home institution on the matter. This insurance policy shall be signed up by each student directly via the website:

  https://www.erv.es/EOS/agregadorflotante?lang=es&u=vVmCaj8k35sQwThuVvgmjg%3D%3D&p=K2w8Hnc2kKA%3D&numPoliza=07631000394

- Health Care: Students from the EU, EFTA and Switzerland are entitled to medical care in the medical centres and hospitals that form part of or have agreements with the Spanish National Health System (Seguridad Social). To be able to use these services, students must apply for the European Health Card at the health service offices in their country of origin. Foreign students from other countries than the above mentioned or who are not covered by national health plans, must have private health insurance.

Students must send, before their arrival in Salamanca, a copy of both documents by e-mail to the International Relations Office (erasmus@usal.es) as a mandatory requirement in order to complete their inscription at the University of Salamanca and receive the student card (which allows access to university services, such as libraries, computer rooms or the university digital platform).

Learning Agreement:

The University of Salamanca does not require the Learning Agreement prior to the beginning of the Erasmus stay, so it can be agreed with the corresponding International Departmental Coordinator after the student’s arrival in Salamanca. In the event that the home university requires this document prior to the student’s departure, it will have to be sent for approval and signature to the corresponding International Departmental Coordinator. There is not an Institutional Coordinator at the University of Salamanca; therefore, only Departmental Coordinators can sign these documents. PLEASE DO NOT SEND LEARNING AGREEMENTS TO THE INTERNATIONAL RELATIONS OFFICE.
